Margaret has been best friends with my mom since all of us girls were little. They are truly a precious family and I still can't believe Margaret is no longer with us. She's been a true warrior through this fight and an amazing family to walk every step of the way with her. She was like a second mom, her and Greg came to my wedding and that was so very special to both Robert and I. I love you guys!! Keeping you covered in prayer and asking God to give you the strength to get through these super tough days.
Love, Kirsten and Robert Steele
