Charlie Burchfield entered into rest on Saturday, June 29, 2024. The Directors of Brown-Pennington-Atkins Funeral Home & Crematory are caring for the family.

A funeral service to honor Charlie's life will be held at 11:00 A.M. on Wednesday, July 3, 2024, in Wesley Chapel Church with the Rev. Dr. VeverLyn Watson-Smith officiating. The family will receive friends immediately following the service. A private family burial will be held in the church cemetery prior to the service.

Memorials may be made in his honor to Wesley Chapel Methodist Church, P.O. Box 56, Lydia, SC 29079.

Charlie Burchfield was born October 26, 1956, in King's Lynn, England, to Margaret Cranston Burchfield and Billy Ray Burchfieldu. Throughout his life he had many adventures. His exploits took him from England to Fort Worth, Texas; San Francisco, California; Kansas City, Kansas; Syracuse, New York; Fort Walton Beach, Florida; and across the pond to Mainz, Germany.

Somehow Charlie managed to find his way to Savannah, Georgia, where he said he met his Southern Bell Ashley. They married after knowing each other just three months. After nearly 30 years of marriage, Charlie's most important

accomplishment was successfully raising a fine young man named Toby. Getting to see his son marry his true love Avery was Charlie's single greatest joy.

When Toby was young, Charlie loved coaching Northern League baseball, bass fishing, and following Red Fox baseball during his son's tenure at HHS. Charlie entertained people with his wry wit which made them laugh (or occasionally frown), and he had a passion for life and a steadfast love for his family.

Surviving are his wife Ashley, his son Toby, his daughter-in-law Avery, his mother-in-law Belinda Copeland, his sister-in-law Jenifer Copeland Crawford, his brother-in-law Matt Crawford, and his two nephews Copeland and Craig Crawford.

Charlie died peacefully Saturday evening with Ashley, Toby, and Avery by his side. They feel truly blessed to have been with him and to have had him in their lives.

Charlie was one of my dads best friends. I have heard the story 1,000 times about how they were hanging out on a rooftop listening to led zeppelins stairway to heaven for the 1st time. They listened to it over and over again. Even when he moved away from San Francisco my dad and him remained friends and talked on the phone often and visited a couple time. Dad was even in Toby's wedding. It meant a great deal to him to beable to participate in such a lovely event. When my dad was passing we played stairway to heaven for him and I called Charlie to let him know. I feel truly heart broken learning of his passing because now it's like a little piece of my dad was what left through memories is now gone too. I know they will be rocking together and blasting led zeppelin together.
