Rochel,Justine & Dalton: Our hearts and prayers go out to you during this time of sorrow. We all can remember the old store and all the produce Uncle Bud used to peddle. You never knew where you would see him selling good fruits and vegetables. He waited a long time to go home to see Aunt Lois, but he is there now and I bet they are getting ready to give fruit and vegetables to all of God's angels. I know Mother and Daddy, Grandma and Granddaddy, and all the rest of the family are standing in line waiting for a "peach". We love you and may God Bless and Keep you always.##imported-begin##Virginia, John Robert, Christine & Jim##imported-end##
