“ Dear Patti, Joyce, Kathie and David, I am greatly saddened to hear of your mother's death. I have wonderful memories of her, your dad and you during the week Elizabeth, Ashby and I stayed in your home during our trip to Peru with Helena, Barney, Robert and Terry. Each morning after your dad left for work, your mother and I sat at the table and tried to converse for at least an hour. I had my Spanish/English dictionary with me. Neither of us spoke the other's language although I knew mostly nouns and a few other words since I'd practiced for months with a DVD on my way to work. After an hour, we were worn out! Before we left Peru, your mother gave me a lovely tray that she had made. It's always been very special to me. She was a very warm and gracious person. We felt very welcomed in your home and greatly appreciated your parents' kindness and hospitality. To lose one's parents is very difficult. They will live in the hearts and minds of everyone who knew them, including me. With deepest sympathy and love, Nancy Wilson
