

## Mr. Charles Richard Dietz

November 10, 1939 - November 20, 2020

On November 20, 2020, Charles Richard Dietz of Hartsville, S.C. passed away surrounded by his family at 1:30 AM. A Celebration of Life service will be held at 3:30 PM on October 9, 2021, at Our Shepard Lutheran Church. The Rev. Ed Wolf will officiate and the family will receive friends following the service. Brown-Pennington-Atkins Funeral Directors are caring for the family.

In lieu of flowers, memorials may be made to Prisma Health Midlands Foundation for the Heart Hospital (<http://www.prismahealthmidlandsfoundation.org>). The family thanks the wonderful team of doctors, nurses, and staff at Prisma Health Heart Hospital in Columbia, S. C. for the care and compassion they provided to Charlie over the past few years.

Charlie was born in Tacoma, Washington in 1939. He was the son of Carl and Minnie Dietz. In the 5th grade, Charlie moved to Lovell, Wyoming where he met the love of his life, Harriet. They celebrated their 60th wedding anniversary this year. He graduated from Montana State University with a degree in Chemical Engineering. After graduation, he went to work at the National Reactor Testing Station (NRTS) in Idaho Falls, Idaho. He had a lengthy career with General Electric as a start-up engineer for nuclear power plants throughout the U.S. In 1980, Charlie accepted a job with Carolina Power and Light (CP&L). This led him to Hartsville, S.C. where he was the Vice President of the H.B. Robinson Nuclear Power Plant until his retirement. He had many great memories from the people he worked with over the years. Although he often had a “serious” look, he was a true leader and earned the respect of those he worked with.

Charlie loved spending time at their beach condo in North Myrtle Beach. He loved spending time on the balcony listening to the ocean and looking for dolphins. Charlie was musically gifted and played the saxophone, clarinet, and piano. His faith in God was strong and he was an active member of Our Shepard Lutheran Church, where he served as the church president and played the organ. He was an avid golfer and enjoyed playing with friends and family throughout the years. He was a member of the Kiwanis Club and always enjoyed the friendly competition with his bridge club. Throughout the years, Charlie and Harriet travel

ed to many locations across the world and it wasn't rare that he'd bump into someone that he knew.

The thing he loved most in this world was spending time with his children and granddaughters. He could grill a mean steak, always enjoyed a great glass of cabernet sauvignon, and loved playing games with his friends and family. He was the rock of his family and was always there when needed most, to answer a call, respond to an email, or to just listen. His infectious smile and laugh will be greatly missed.

Charlie is survived by his wife Harriet Dietz, his sister-in-law Irene Dietz, son Bob (Margaret) Dietz, daughters Cynthia (Stephen) Badowski and Elizabeth (Matt) Byron, grandchildren Sarah, Allison, and Amelia, nephews Glenn (Deanna) Dietz, Craig (Piper) Dietz, Joel Dietz, and Kirk Dietz. He was preceded in death by his brother Warren Dietz. He also leaves behind many animals that provided him joy over the years.

“ Charlie was a fine example of what your supervision should be, always willing to advise, provide guidance, help out or just listen. He was truly one of the best the Robinson Nuclear Plant and the plant's family ever had. Rest In Peace, my friend.

“ Over the past 22 years the Dietz and Byron families became one after son Matt married Elizabeth Dietz and our families celebrated so many holidays together. Charlie was a great guy and I can't think of anyone who didn't respect or like this man. He will be sorely missed by so many of us. Condolences to family and friends. Rest in Peace our wonderful friend.

“ My thoughts and prayers to Harriet, Elizabeth, and family in your loss and Heaven's gain. I fondly remember the many years at Our Shepherd worshiping, gathering together to share meals, and Charlie and other men of the church (John Brandt, Sam Echerd, Dick Stinson, Johnny Eades, and many more) keeping up the church and the grounds. Worship, communing with one another, and socializing and the Dietzes opening their home on many occasions for food and fellowship. His penchant for a good laugh and his smile and laid back style are other things I recall. I know he will be missed by all who loved him. May the Lord bless you and keep you.

“ Oh God, what a loss, for the family, for Hartsville, for Kiwanis, for Our Shepherd, and for me. I came off a painful experience, but with Charlie's leadership, the congregation and I began a healing process. There are too many stories to share here, but the times at Harriet and Charlie's home were filled with laughter along with sharing our faith. However, I will never forget the Taipei service when the three musketeers and their spouses arrived late from a polo match!

Harriet, we love you, walk with you spiritually, and share in your grief.

“ Harriet, we are saddened to hear of Charlie's passing. For the short time we lived in Hartsville, we enjoyed the time spent with you and your family. Charlie will be missed by many and was a man of exceptional character. Please accept sincere condolences on behalf of the Esposito family Scott, Cindy, Vincent and Gabrielle.

“ Harriett, we are so sorry to hear of your loss. Charlie was so special to our family. Daddy had such a deep respect for him during their work years and I'm so glad he connected us all together at the condo. We had such wonderful "meetings" together in those years! Kimrey and I join you in celebrating his well lived life for God and with his family and friends. He was a true gentleman. Thinking of you and thanking God we were able to know him. Ann Marie, Kimrey, and Will Pennington.

“ My first real job ('79 - '84 at BSEP) was in the shadow of this great man's wings. Most of the nuclear plant managers that I subsequently worked for were bureaucrats in the pejorative sense of that word; and my experience with Charlie made it oh so easy to see and avoid the influence of such men. He was THE Gold Standard in BWR technical competence. None in the industry had a greater impact on my career than Charlie Dietz; and many many times I'd find myself asking or commenting on what he would do here or there in this or that situation. Godspeed to you Mr. Dietz; I'll see you again in Glory Land!

“ A patient, caring, funny, committed and the best mentor a Kiwanian could have, especially during BBQ day. I learned from him how to handle the stress of the day while we set up by putting down paper to protect the floors at TBThomas Center to staying the course by being the last ones to leave after everything was cleaned and back in order. He shared his love of the Lord through his action! He was a living sermon. I am saddened by his transition but grateful for having been in his circle on his journey to eternity. I also rejoice because he is completely healed and celebrating along with the loved ones who went before him. See you later my good buddy! Thank you for accepting me into Hartsville Kiwanis with an open heart and open mind. And, I do remember my badge #.

Rest well, you fought the good fight, now enjoy the rewards of being a great man who walked among us as a true servant leader.

Thank you Mrs. Deitz and family for sharing him with us all! May you know a level of peace and comfort which passes all understanding in Jesus' name. ☐

Lovingly, Darnell (Joseph) Byrd McPherson

“ Mr. Dietz was the first plant manager I ever worked for at Brunswick from 81-86. He was a great guy and set a positive and wonderful example on how to work hard but still maintain that human personal touch in a very tough environment. I have often thought of him over my 40 year nuclear career. Prayers to the family.

“ Charlie Dietz was a master of just about everything at the BNP. I worked with him when we had fuel leaks, a broken off-gas system, and had to limit power operation to control emissions. He was one of the smartest and best managers the BNP every had. A gentleman in every way.

“ Worked at Robinson during Mr. Dietz tour there and he was a great leader and true person to all of the employees there. He was a great people person too and I had the greatest respect for him as a person and as a leader of Robinson. He will be greatly missed as a good friend and co-worker and retiree of Robinson. Prayers of comfort for the family during this trying time.
