

Mr. David Layton King

December 23, 1961 - November 20, 2017

Funeral services for Mr. David Layton King, 55, a lifetime Ventura County, California resident, peacefully passed away at his Santa Paula residence on November 20, 2017. A celebration of Dave's life will be held at 3:00 o'clock on Thursday, December 7, 2017, at Camarillo United Methodist Church, 291 Anacapa Drive, Camarillo, CA, and final interment will be held at McBee Cemetery in McBee, SC. Brown-Pennington-Atkins Funeral Home is serving the family.

David was born on December 23, 1961, and was the proud son of Dorothy and John King of Camarillo. "Dave" graduated from the Camden Military Academy in 1980 and continued on to complete his trade school education with auto and diesel mechanic skills at Florence-Darlington Technical School in 1982. Dave immediately entered the workforce as a diesel mechanic and worked on everything from motorcycles, bulldozers, and tractors to any make of automobile. Dave was a gifted master mechanic and could repair anything without ever using a manual or any kind of instruction. Over the years, many of Dave's clients couldn't afford to pay him but if he had the time he would always help someone in need of mechanical repair work. He would give the shirt off his back if someone needed it.

Dave had a passion for anything related to motorcycles. He loved dirt bikes and motorsport racing. Some of the best family memories involved either riding dirt bikes in the desert or going to the Laguna Seca raceway to watch the professionals. Dave was also an excellent cook as he loved barbequing, making tacos and homemade salsa. At family social events Dave was full of personality and always at the center of the party. Those that knew him truly understood his character and wit. Dave touched many hearts through the years, he will be dearly missed.

David is survived by his mother Dorothy, daughter Haley, granddaughter Scarlett, brothers Jack (wife Karen) and Mark (wife Julie), as well as numerous nieces and nephews.
