“ Dawn, There are no magic words that I can say to you. A mother's loss of a child is beyond words. I have been there and know how hard it is to hear people say they know how you feel. But until you have been in our position no one can. From me to you take a moment at a time. When people say to cherish every moment we have to. Even the bad. So sweet friend if there comes a moment, and there will, that you need a shoulder or mama ear I am here. Love you sweetie.

“ Dustin was good friend and a very good person in genral. I've know Dustin my entire life. We grew living right beside each other and played everyday. I remember when me and Dustin would get in his tree house and act like soldiers and the toy soldiers were our enimes. We did all kinds of things growing up. As we grew older we did grow apart but we still communicated very often whether it was on FB, text, or just seeing each other at some random place. I'm very upset that this happened and really wish things were different. My love and concern goes out to the whole family. You guys are very good people and I wish all of you the best. I'm so sorry about your loss. Rest in Peace Dustin Atkinson

“ To all my extended (church) family, sending all my love and prayers. May God comfort you all and remember His grace is sufficient for every need. My heart cries with you.

May we all remember : "God's merciful moments" and it only takes that one moment to cry out for His mercy. We have a lively hope in God and He never fails.

To my sweet Hunter, always know God is watching over you and he hears your loving prayers. I love you dearly! Remember baby, nothing is too hard for God.
