“ I just learned of Uncle Larry's passing. I didn't get to see him very often, but each time we met, I was always impressed by his kind and happy soul. I remember him telling me how he and my father were good friends as young kids and they worked for a pharmacy delivering meds on their motorcycles. It makes me smile to think of it. He would become my dad's brother in-law.

My heartfelt sorrow and condolences go out to his beloved family.

With love and prayers of comfort,
Linda, and Mary Anne Stone
