“ For almost 3 years now we have been having our monthly ministers breakfast at Shoney's, and almost all of those meetings with few exceptions, Tammy was our waitress and a very good one! Everyone appreciated her service and she made sure that everyone had what they needed. She had a very sweet spirit and attitude, and on a number of occasions would ask us to pray for certain needs that she was aware of, or sometimes for some of her own particular needs. It just won't be the same without her cheery smile. We will be much in prayer for the family of this special lady.

Her friendly and smiling face was one of the first I'd see, as I stopped by Shoney's every day before work. She was a good friend and I loved her as such ever since that first day.
