“ *I feel privileged to have spent time with Adam throughout this past year. We met roughly a year ago when I moved to Charleston. He played a role in helping me get through an uncomfortable and scary transition in my life. He helped me feel welcome and settled in this new city. I am grateful for the good times and quality conversation we shared. The quality I admire most about Adam was his generosity towards his fellows. My prayers are with you and your family. You will be missed brother. Love you man!*

Prayer of Saint Francis of Assisi

Lord, make me an instrument of thy peace!

That where there is hatred, I may bring love.

That where there is wrong, I may bring the spirit of forgiveness.

That where there is discord, I may bring harmony.

That where there is error, I may bring truth.

That where there is doubt, I may bring faith.

That where there is despair, I may bring hope.

That where there are shadows, I may bring light.

That where there is sadness, I may bring joy.

Lord, grant that I may seek rather to comfort, than to be comforted.

To understand, than to be understood.

To love, than to be loved.

For it is by self-forgetting that one finds.

It is by forgiving that one is forgiven.

It is by dying that one awakens to Eternal Life.

—Saint Francis of Assisi—

I was honored be be his supervisor at Winn Dixie and see him perform in Band Compositions in High School. He was a joy to work with and know. He was like one of my kids at work, I would lecture on drinking and driving, because I cared for the you people I worked with and Mentored. God bless his family and friends. He wil be missed.
