“ *My condolences to the family of Adam Scott Hall. I guess you could say that I am like family in the sense that my girlfriend and life partner is an aunt to Adam. I felt privileged to have visited Adam when he came into this world 2 months ago and being there went he passed away. I can say that I saw him fight "the Good Fight" and he FINISHED HIS RACE!! It may not have been a LONG race, but I know that he left his mark on a lot of people, especially his young parents. I was asked to put together a tribute to Adam, which I have uploaded to this site. It was truly a pleasure to have touched and held Adam in my arms, even after he was gone. If, I could talk to Adam right now, I would tell him that he left a LASTING IMPRESSION on his Mom and Dad and they wanted to dedicate the song, "See You Again", because that is the message that they want to convey to you. Although, you were only alive a very short period of time, I believe in God's eyes, you were here for a SEASON to accomplish what you needed to...show an infant love to your mother and father to let them know that they were and are needed!. Enjoy this tribute to Adam and let him forever be in your thoughts when you remember him. God Bless YOU ALL!!!*
