“ Two years ago yesterday Daddy since we've seen you or talked to you or even hugged you! I can close my eyes and still see you taking your last breath!

We miss you soooo much! It is still so hard not having you here with us!

We miss mama every day too! Yall keep rejoicing in Heaven and please tell Jesus we are so grateful to him for leaving Allen jr with us last weekend when he had that wreck. I tell Him many times a day! There is no doubt you, mama and God was in that truck with him and him to walk away as he did. I have always believed in Miracles and God has reminded us He is still performing them! I miss you so much! Allene

“Daddy we have missed you so much this past year. Life will never seem the same without you here. You are in our heart and mind but we sure do miss seeing and talking to you daily, We just attended the funeral for your brother Ed and so many memories flooding of going thru this with you this time last year. We still have the peace of mind knowing you are at peace and completely well but again I say, we sure do miss you!

Allen Jr is taking good care of the place...(Me, Darlene and Carolene sometime help him with his laundry though . 🧺♀) He does wash them but we have to fold and put them up for him. 🙌
Tammy and Allen have Ayden most of the time. The holidays are coming and its so hard thinking about you not here with us. We love you !!!! Hug Mama for us !

“Happy 79th Birthday Daddy! We miss you so much! Everyday things are not the same without you. You got to spend your birthday with Mama and your Mama this year, but we wanted you here. I cleaned out your recliner this evening. I could see you sitting there watching Lexi and Ayden playing as you always liked to. We know you are completely better off in Heaven with complete healing but selfishly we would bring you back "pain free" if we could. I hope you are proud of us all trying to carry on. I love you! I miss you!
Love your oldest daughter, Allene

“ *Your first Christmas in Heaven Daddy. We miss you so much but thankful your are in Heaven celebrating with Christ, the one who we are now celebrating His birth. Words cannot even begin to express how we miss you. Pulling up in the yard, walking in the living room and you not in your chair was so hard for us. We all talked about what we would have gotten you for Christmas....yep the same things as usual...Lol We all talked about how you and Mama are back together spending Christmas together and we can image the conversations yall are having about us. We are reminded of all the sleepless christmas eve nights yall had from assembling toys and bikes and so much stuff. Yall always made our house sparkle and shine at Christmas and we can only image the sparkle and shine in Heaven now. We love you! We long to be reunited with all our family but mostly seeing Jesus face to face and praising Him for everything! I Love you! I will never stop! Allene*

“ Alene, Tammy, Darlene, Carolene, Allen Jr. and all of the family, I am so sorry for your loss of your dad. It's a pain that only God can help you with. I've known Allen since church days in the early '70's, where I learned to love all of you, and where I always found him to be quiet, yet kind to others. All of you are in my thoughts and prayers. Love ya'll....
