“ To all the family, I am so sorry to hear that Bruz has passed. (that is what I always called him). I was in the SC National Guard with him for 7 years and worked with him cutting down trees and and a lot of other jobs. Whether working hard (he didn't believe in breaks of any kind) or just relaxing after work, he would keep you laughing every second. He loved God, family and friends with all of his heart and he had many friends. If I had to pick one person to share a fox hole, he would be my man. I know he would protect me with his last breath. I loved Bruz and I will miss him.

Johnny, Allison and I are so sorry for your loss. We have such good memories of Buzz--like him picking up Allison, Bennett, and Elizabeth with the "step truck" and taking them to the Candy Kitchen for a treat, sitting out at the pool watching him come home from a hard day's work, eating his wonderful boiled peanuts, and watching him take down trees from our yard like it was nothing! We will miss him, and we pray that your memories will help you find peace in this difficult time. We love you all,*

“ van shaw, one of my most loved and best friends called me and let me know is father had died earlier today.

mr. buz shaw was a character and one tough customer when he needed to be, but also a kind man when so inclined who helped many along the interesting path of his life.

he was old school through and through with all the good and bad that comes with it.

and because of that he was loved by his many friends and respected by his few foes.

buz was a man's man and with his recent health decline he was not a happy camper as he let me know in a recent conversation.

while he walked this earth for over 80 years he always did it with his strength and dignity intact and would have it no other way.

while his family and many, many friends will morn his passing i am at peace with it.

he was a good friend to the murphy family and while we are sadden at his passing we know he is all right now.

and because of that i am too.

“ I met "Buz" when I started working at Sonoco. I was the Secretary to the Corporate Safety Director (David Hoots) when the horrible accident occurred in the Paper Mill. One man was killed & another, Ervin Steen, lived for several years in a nursing facility. Buz & some others were also injured. David & Bill Spencer (Assistant Corporate Safety Director) were both out of town. Frank Mozingo and I had to deal with the OSHA people and others who descended upon us as soon word got out about the accident. Charlie Coker was so helpful and encouraging. Buz was always smiling, cracking jokes and loved to uncover incidents that happened to other people and would constantly remind them about those incidents. He cut down several trees for us, also. Our condolences to Ann and all the family. We're praying for all of you. Wayne Stratton Wallace & Harry Wallace, Sr.

“ *To the Shaw Family---I am so sorry at the loss of Mr. Buz Shaw. He was a very special man. My fondest memories are of the Christmas parades he use to organize for the children at Christmas. We would gather at his home and decorate lawnmowers, bicycles, or other vehicles. Then he would make a line and the Christmas parade begun! It takes a special person to organize a parade to make kids happy. Thank you, Mr. Buz for these special memories. You will be missed by many. The Shaw family is in my prayers. “ Dear Mrs. Ann, Luan, Lea, Van, Billy, and extended family -
On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the Bible, John chapter 14, reminds us that in our Father's house are many mansions; and if that were not so, He would have told us and He has gone there to prepare a place for us, that where He is we shall be also. This earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again, oh what a Glorious Day! Buz is walking around with Chris now enjoying the real life!

My prayer is that God will continue to hold you close as you press on.
