“ To the McLeod family we are truly sorry of Mr. Campbells passing. I really enjoyed talking with him about the older tractors and the museum. When we moved to where my house is now he was the first to bring in his equipment to get a driveway established because he was scared Susan we get stuck in the mud coming out. “ We will surely miss Mr. Campbell! The girls have such good memories of things he told them or jokes he pulled on them at Cutty's and other restaurants where we ate breakfast or other meals in McBee. It is hard to find someone of his caliber. He loved the McBee community and it's people. He was one of the most compassionate people that we have ever known! Mary is expecting a little boy some time in the next two or three weeks and she had already chosen Campbell as his first name. Charlie's mother's maiden name was Campbell but her memories really center around knowing Campbell McLeod! We were shocked to hear the news tonight and we cannot say enough about a man who meant so much to so many! God bless!###imported-begin###Rev. Charlie Short, Helen, and all of us###imported-end###
