“ I'm so sorry to hear about your loss. Alicia was a wonderful, happy person. I've talked to her recently and she seemed to be happy in life now. I was so shocked to hear of her passing. It seems like yesterday me, her, Tracy, and Debbie, may she rest in piece, were all out in Mrs. Bullard's front yard doing flips and getting fussed at for climbing in the trees.... She will be greatly missed... Our thoughts and prayers are with you all at this time. Love MeLissa and Diane##imported-begin##MeLissa Grady and Diane Bullard Hoffman##imported-end##

“ Dear Ruth, Joe, JonJon and boys
I would like to express sympathy to all of in the loss of Alicia. I will always remember her big happy smile every time I seen her. I most remember when her and JonJon were attending the Nazerene church her hands were always raised in praise. She was such a joy to worship with. Ruth and Joe she loved you and the things you had instilled in her was always a must do. She loved being a wife and mother. I remember how much dedication she gave to both. I know that thru the promise of everlasting life, I will get to witness that big smile once again. She has made the journey that we all one day will take. JonJon I wish you the best. Alicia will be always be there for you, her parents and her children. May God comfort during this time. She is now at total peace, no harm can come to her and she has no sorrow. God Bless to all of you.

“ I cannot even begin to put in to words how heartsick I am finding out that this sweet girl has left us here so tragically. Everytime I saw Alicia it was always by chance but she ALWAYS put on that bright smile and made me feel like she was so happy to see me. How can I not feel this deep sense of loss knowing I won't get to feel that feeling again. I'll still be hoping that just somehow, someday, there she'll be, ready with that warm smile and hug. We've all had our row to hoe and some of us have really screwed it up along the way. Alicia's story has been a lot like mine in that aspect but I believe with ALL MY HEART that we are all here because there's some great lesson we have to learn and our life is a lesson to others. I cannot reconcile this pain any other way. I love you all and I am with you although I cannot know the canyon of pain you must be enduring in these days. God be with you. It will get easier even though that possibility isn't even conceivable today.##imported-begin##Marty Goodman##imported-end##

“ Alica was a great person whom influenced me dearly over these last few years. I even looked up to her at times. Aunt Ruth and Uncle Joe, Alicia loved you two with all of her heart and knew if she ever needed help with anything she could depend on both of you to be there for her. Tyler, Chrisitan, and Ajay your momma was so proud of teh three of you. From the endless baseball games to the hours of homework she cherished every minute of it all. Alicia was very dear to me and I miss her so much. I love you all and you're all in my prayers.

With love

So sorry about your loss.It's hard to imagine such a young life being ended. She loved those boys with her heart and soul. I remember those teenage years.
