“ To the family of Mr.Allen , I am so sorry for the loss of your dad. Even though there was a great age difference between us there is no one else I loved serving coffee to. Along with Vietnam stories and what coins to collect he shared life lessons with me. He taught me it's ok to cry every now then and at times he was so stubborn but I learned you can love someone while making them respect you. I loved him dearly and since he was a God fearing man I know I will see him again. He will always be my Mr Allen. Elisa
