Dear Sandra and Kathy and families, We are sorry for your Loss, and know that your mother is fellowshipping with Jesus and your loved ones who have gone home. Please accept our words of sympathy. We knew nothing of your mother's passing until after the service was over,. In speaking for my mother and father, sister almena was always faithful to write them cards, and even though they can't express it, they would want me to say what a blessing both your mother and father were to their lives through their years of ministry and for the friendship they experienced. Prayers for you and your family.
