“ It is wonderful that everyone is writing in our grandmother's quest book. I hope and feel that everyone will have the chance to say the things that their heart desires. And I hope that everyone will continue to visit this site as long as everyone is able to do so. We could write books about Amelia a/k/a "Mimi" but those books have become our memories forever and after. Lawrence is right, Mimi was our backbone of the Anthony family, and now that she has left us and move up unto heaven, we as a family have to fulfill that responsibility, as she would have wanted us to do so. As many say, What a southern lady she was and still is in our hearts. As my father, quotes "She loved to Live and she Lived to Love". She has given me a wonderful gift in life and that gift was loving and knowing her each and every step during her life. We have such wonderful memories, Easter egg hunts, christmas eve's, Sunday lunch after church, peach cobbler, fried chicken, watermelon pickles, potato soup, the list goes on and on..But the most important thing that she ever gave us, was being her grandchildren and having her as our grandmother. In the future, I hope that each of you will help me and my future children to know Mimi and the wonderful lady that she is and what she has given us as a grandmother. Mimi you are "one of a kind" and just remember that you have many grandchildren to live up to your expectations and your name. Much love to the Anthony Family.##imported-begin##Mary Penn##imported-end##

“ My Dearest Grandmother was the light of my life. Memories of me and my brothers Todd- Richard-Ben on the farm with Amelia were very special to me. She loved all of her grandchildren like no other grandmother would. I will always cherish the times we spent together talking about her husband Lawrence Sr. Amelia was and still is the backbone of the Anthony family. She was also one of the best fishing woman that I know. My Daughter is her name sake and I'm very very proud to have had the chance to name my daughter after such a loving and forgiving woman as Amelia was. My heart is broken that she is gone, but I know Deep down inside that our God has taken her to live an eternal life in heaven. Lots of Love to my grandmother Mimmi as I called her when I was a little boy growing up with Her. Love L.K Anthony 111###imported-begin###Lawrence K Anthony 111###imported-end###

“ Dear Lonny, Penn, and Tim,

I am deeply saddened to learn of Amelia's death. Our family friendship goes back many, many years, and I truly share in your sorrow at this time. Your mother was one of the finest ladies I have ever known. She exemplified everything my mother always said were the attributes of a "real" lady. She always had a smile on her face and seemed genuinely glad to see me on the times our paths crossed. She will be missed greatly, not only by her "natural" family but by our community as well. It is with fond memories of her that I extend my deepest and heartfelt sympathy to all of you and your extended families during this difficult time. You will be in my thoughts and prayers in the days and weeks ahead. I am unable to get out at this time tell you this in person due to illness, so please do not think unkindly of me for doing this online. With much love to each of you, Rachel##imported-begin##Rachel Adams Doyle Medlin##imported-end##
