“ I just found this notice while looking up Peppy on Facebook. It had been a long time since we talked and he assured me he was doing better. So I am shocked to hear of his passing. Peppy and I have been friends for years. Even though a lot of time between calls when we did, time erased. He was a very special friend and I will miss him. My thoughts and prayers go out to the family. I'm sure, even now, it isn't easy being without him.

“ *Pepe was a great friend & mentor to Me through very tough times in My young life. He got Me one of My 1st. jobs cooking at Perkins resturaunt & ALWAYS remained in contact, (when possible), & concerned about My well-being through the years. After I was married, Pepe showed Me & My wife a great time as We visited His place, "Famous Cigars" & sent Us home with gifts for the family. This news is heartbreaking as He was truly a kind & generous friend for so long. I will NEVER FORGET His encouragement, love, & contagious laughter on EVERY occasion that I was blessed to spend ANY time with Him.*

-May God bless ALL who knew Him & comfort His family through this TREMENDOUS loss!!!

...Sincerely,
Scott, (Mitch), Mitchell.

“ Gwen and Family
We share your loss. Although we have not seen Peppy in a few years, his memory has and will be in our hearts. We will always remember his joyful spirit. He was a dedicated servant to many and his church. I especially remember our times at St Anne's cooking pancakes for Shrove Tuesday and setting up for our many Easter Festivals. May our Lord's purputal light shine upon Peppy and may our Lord be with you in this time of need.
