“ Phillip & Betty Routh Please know you are in my heart, my thoughts and prayers. Angela is a "special child of God" and he chooses the parents for His children accordingly. She will always be remembered ,for she has touched many lives in ways you'll never know. Continue to trust in The Lord and know she's resting on His knee with no more pain. I love you ! “ My Dear Friends,

Dr. Morphis just told me of Angela's new journey. I am so sorry and saddened. It is bittersweet for we know where she is and what wonderful things she is experiencing yet we are here and cannot lay our hands on her. I do wish there was something profound I could say but you already know about finding your way through grief, to feel blessings, to smile at life's blessing both large and small. Angela will always be --her life IS and always will be. Was is not a part of the language. I will see you tomorrow. With all my love, Susan###imported-begin###Susan ###imported-end###
