“ To Dent, Amy and extended family, I just found out about Ann a few days ago talking with Tracy O'neal at Funderburk's Ins. What a tremendous shock to me. She was always so polite and just a wonderful lady of the highest caliber and I always enjoyed the times we were able to talk. My sympathies go out to you all, and our community has lost a remarkable lady, who will be truly missed. Again, I am sorry I was not in attendance for the funeral, but I missed it in the paper and no one told me until about a week ago. May god bless you all in the days ahead, as I know how close you were as a family and I will keep you in my prayers.
