I just found out about your mom's passing. She was a lovely lady, and although I had not seen her in many years, I remember her gracious ways. We had a memorable Thanksgiving at her home many years ago.

“ Hello "Extended Family." Grandmother Caro McLees Terry and Aunt Lucia McLess Mercer always said that I reminded them of Harriet (or Harta), Anna Bess' step-mom. I told Anna Bess that several years ago and she seemed to enjoy that comment. I truly enjoyed visiting with her when I came back to Hartsville and our telephone calls, where I could simply enjoy a dear sweet Southern lady's voice on the other end. The last time I was down in Hartsville, she had me walk through the yard so I could take large pinecones back home to PA. I have several sitting in a basket that I made into a lamp in my crafting room. They will always remind me of her and our Southern families.

I know she will be missed, but I am sure that you all have the greatest of memories to sustain you for years to come. Y'all are all in my heart and prayers. God Bless.

“ Mrs. Anna was a true Southern Lady. I looked forward to Wednesday nights so I could take her supper from church and spend a few minutes chatting with her about her beautiful flowers and beloved birds. I will miss her, but happy to know she is rejoicing in heaven with her husband.

“ Anna made the best fried chicken I have ever eaten. I used to covet an invitation to dine with the Hungerpillars for Sunday dinner back in the 60s and 70s. She was a fine lady and at 96-1/2, she has won the race. Coe, Bess and David, I know you will miss her terribly but I believe that she has gone to a better, better place. You'll see her again.
