“ To all the family of Miss Anna,
We did not know Miss Anna had passed away until we read the paper yesterday evening. We want you to know it was a joy knowing this gracious lady.
Several years ago we had our Pediatric practice next door to Miss Ann and this is how our friendship began. We had many fun times when we were next door to her. Our office staff loved Miss Anna just like us and we watched after her.
The most recent act of kindness she did for us is when she sent a beautiful pink hydrangia to Paul because the people of the Pee Dee voted him the best Pediatrician for two years in a row. I now have it planted in our flower garden and "she" is blooming. We shall always have Miss Anna near by to us. We loved her dearly.
May God bless you all and remember your precious mother and grandmother. God now has a special jewell with HIM.
Love in Christ,
Paul and Mary Coward and especially our Philip too who loved Miss Anna.##imported-begin##Paul and Mary Coward##imported-end##
