“ *Dearest Cuz,
So many memories I have of you during my growing up years!
You let me steer the car on the gravelly roads at the beach; you took me and Randal to the Thanksgiving Day Savannah High/Benedictine football games; you took us to the beach every morning and, during the polio scare, you played canasta or Monopoly with us for endless hours; you made your delicious peach cobbler and put the creamed butter and sugar concoction on top; you bought cantalope for 10 cents from the vegetable truck man at the beach and showed me how much better they were with pepper. Your influence was strong in my life. I loved you and will always remember how you shaped my life.
Rest in peace, Anne. You so deserve it.
Love, Elaine*

“ *Dear Johnson Family,
I pray that you will trust God to carry you through this valley! Mrs. Anne's legacy is beautiful and will live on in the many lives of the students she loved so much! I was blessed to have Mrs. Anne as a 4th grade teacher, but even more blessed to have her as a Sunday School teacher and role model! One of the most important lessons she taught me was about devotion to family. I remember her talking about going down to Savannah to visit with her Mom and also watching her take care of Mrs. Edell every Sunday. Mrs. Anne was such a sweet lady!!*

*Isaiah 40:31 --
But those who wait on the Lord
Shall renew their strength;
They shall mount up with wings like eagles,
They shall run and not be weary,
They shall walk and not faint.*
