“ Dear MaryEllen, Frankie Johnny and all the rest of the family....many blessings have been given to us through her and now I feel for you. She was one dynamic sweet soul. I remember the permanents in Park Chester, the visits to Miami, Sorrentos and Jai Alai. But especially remember Aunt Annie's part in all of these memories as being very alive and with many observations about anything and everything, always stated in an innocent way as if to learn something new about the topic. I'm glad she's not suffering but send all of you my empathy and send her my love as she continues on her journey. love to all, Cousin Suzy###imported-begin###Suzanne Noga###imported-end##

“ *In my teens she became my second Mom. Her love and kindness shall always remain. Mom always got a kick out of trying to guess who was Darlene and who was Arline. I'll forever smell her Youth-Dew Estee Lauder she loved so much. May the Lord give comfort to each of you today and always. I love you very much.##imported-begin##Arline Alton##imported-end##*

Your mother was so much fun and a treasure to me. Her mother's advise will always remain. She is the only person that could ask a question and laugh about it at the same time. Her humor will be missed. Her love and memories will always be with me. God's Blessings to all the family, Sloan "Flo"##imported-begin##Sloan "Flo" Amerson##imported-end##*
