“ To all of Annette's family, I was very sorry to learn about the passing of Annette. I had the pleasure of attending school with Annette from the 1st thru the 12th grade and by chance we both ended up in Hartsville. I would see her at the hospital each time I would go out for test or whatever the reason and we would always talked about those good old days back in Lamar. She always had a smile on her face and I will miss that. We don't always understand why things happen, but God always has a plan and we just have to put our faith in him. She will be missed by everyone and my prayers are with all of you.##imported-begin##Mattie Lee Amerson Davis##imported-end##

“ Ms. Annette was a wonderful, loving woman. I will always remember her words of wisdom. I can still see her face as our childnre would walk up to her and give her a hug. Then she would reach into her desk drawer and pull out a pack of gum for each of them. They loved her dearly and we do too. She is no longer in pain. She is in peace and with GOD. I pray the family is comforted by GOD especially during this time of grief.##imported-begin##William & Rebecca Kelly##imported-end##
