“ *Annette and Lawrence are our neighbors and great neighbors we have been! We have shared laughs, tears, and just plain fun during the 15 years that Jeff and I have been living in Forest Hills. Annette was my sister's roommate in college and they shared a close bond. When Paula was at Providence and was recovering from heart surgery, Annette went and stayed with her during the day so our family could have some rest. She was an angel to my sister! We are praying for her family during this difficult time! But we have a great assurance that those that know the Lord never say goodbye, just so long! There will be a reunion one day and we will never be away from each other again! Thanks for all your love Lawrence and Annette! Jeff and Carolyn Sifford*

She did me up my box for my Christmas night display and I just had to pick them up and pay. Annette knew Linda didn't like small things...let's put on a show. So many people enjoyed this event held on Barefoot Street for many years. When she closed and retired...it was never the same. My heart goes out to her entire family..Wonderful lady.

*My heart is broken. Annette and I were friends since 7th grade. We were in Band together, girl scouts and just doing girl things together. Annette was the most loving, caring friend if there ever was one. I had a major surgery in 2011 at Lexington Hospital and I had no one to go with me. Annette volunteered and stayed by my side for 3 days. She drove me home and that same night I had a collapsed lung She and Lawrence took me back to Lexington and stayed by my side as I had no family. Annette was an angel on this earth for sure. How do you say goodbye to your best friend? I pray now for Lawrence, Law, Adrea and Nadja
Please give them please beyond all understanding. I just hope she knew how much I loved her. I take comfort knowing she is no longer suffering. I will miss you my precious friend. Roberta Driskell Timmons*
