“ Juanita, Robert and Family...no one has to tell you how much Ann was loved and how she will be missed. You already know that. Ann loved all of you so much. Every time we got together she would bring me up to date with everyone. She had that gleam in her eyes when she was telling me about you all. I have so many good and happy memories of my dear sweet friend. We were back and forth at each others house, sharing secrets, leaning on each other for comfort when we had those major teenage problems. She had the biggest heart and so full of compassion for everyone. Her beautiful smiling face glowed as much as that beautiful red hair. I can go on and on about Ann and it would all be positive. She loved our Lord and I know without a doubt that she is with Him now. I know all of you have wonderful memories of Ann. Hold on to them. God will see you all through this. She will never be forgotten because she has touched so many lives. “Be strong and of a good courage, fear not, nor be afraid of them: for the Lord thy God, He it is that doth go with thee; He will not fail thee, nor forsake thee”.
