“ I sure am going to miss you sweet lady!! I can truly say that I've been blessed that God allowed the opportunity for our paths to intersect!! I would look forward to sitting on your couch, while Mr. Harvey Gene ate supper, you and I would watch Wheel of Fortune and we could normally together solve the puzzle. And the sheer pleasure it was to be around you!!! From the very 1st day I met you, I could feel the presence of God. I am thankful that God blessed me with the opportunity to be a part of your life!! I will never forget, and I will always cherish, holding your hand while you prayed for my family member on September 8th, and the selflessness you demonstrated. The love you had for others radiated from you!!! You will always hold a special place in my heart and I will never forget you!! I remember talking with you about what Heaven might be like, and I will never forget you telling me that you knew that Heaven was your Home and when God was ready for you, then you were ready for Him!! On September 13th when you closed your eyes on this side of Jordan, I can only imagine what peace, joy, beauty, and happiness you encounter when you reached those pearly gates!! I know God welcomed you Home and said "Well done my good and faithful servant." I can only begin to imagine the beauty, sights, sounds, smells, joy, and so much more that you are experiencing now!!! If given the opportunity, I know without a shadow of a doubt that you wouldn't take nothing for your journey now!!! Mrs. Ann; I will forever cherish, and remain thankful to God, for allowing me to be a part of your life here on Earth!! One sweet day, by and by, we'll meet again!! I'll always love and miss you!!! To the family; my prayers and thoughts are with you all!! I know the coming days, weeks, and months are going to be hard!! May God wrap you in His arms and provide you comfort and peace during this difficult time!!
