“ Well there is nothing that I can say to you all to make things better for you, but there's one thing I want you to remember...God is always watching over you. I know it's a hard pill to swallow that mom's gone, but guess what.. she doesn't have to suffer anymore. I love you all, but we have to let go and let God do what it is for him to do. Please don't give up and when times get rough, always look up because God is the only one that knows how you feel and He is the only one that can really help you. If there's anything that I can possibly do for you, please don't hesitate to call. I Love you all dearly.
