“ *Dr. Parsons & Family:*
Our prayers go out to you during this time of loss. Dr. Parsons, you have spoken many times over the years about your mother and how wonderful a woman she was. We do feel like we have gotten to know her through you. She lived a very full life and I am sure she was so very proud of all of her family as you were of her. A lot of good memories precede this time of sorrow. Hold onto those memories as they are precious.
