Mom I went back to church today. You weren't with me but you are with God in heaven. It was so strange not going to pick you up. I went to your grave and told you I love and miss you so much. My heart hurts so bad. You were my every thing. I will hold you close to my heart until I see you again. Rip

You are at the Masters table. You are with Jesus now and we miss you so very much. Our heart's are so heavy but we will be with you soon. Love you forever. The best Mama ever.

Dear Mama, it's been six long years since you've been gone. So much is different without you here, but I'm happy because you are finally at home with your loving Savior and with this world so much worse than when you left, I wouldn't want you to return to so much evil and wickedness. I know your time with Jesus and all of heaven has been the best. You are missed by all and my love for you will never stop. Lord, if you could just gently hug my Mama and whisper to her that her Baby Girl Marlene loves her beyond measure. Until we meet again Mama I'll be missing you, still with a broken 💔.

Mama, I just watched the video so I could see your beautiful smile. I miss you so very much and life doesn't get any easier. I know you are having the best time of your life but even though I know you are happy my heart still aches for you. I'm so glad though that you don't have to worry about the struggles of life anymore because this world is so evil. One day I too will escape this evil place and be escorted up to Heaven with Jesus and all the saints of old. I miss you everyday and your memories will always be alive in my heart, your legacy will never be forgotten. You are probably right now singing praises and admiration to the King of Kings and Lord of Lords and I'll praise him here on Earth. Until we meet again I'll be missing you. Love you forever and always, your baby girl Marlene G Griggs.

Mama, today one year ago, you answered when God called your name. I knew you were gone, but somehow by becoming a year today, it was like I actually acknowledged that you were gone forever from this earth as I know it, forever in my heart and for eternity in heaven. Mama, i am making plans to be with you again one day. Until then, I will always remember you, cherish your memory, love and miss you. Love you always, my BFF...my mom who was handpicked by our heavenly Father.

I need you so much Mama, I miss our talks, our time together, seems like I'm all alone, but I know that's not true. It's like I'm crippled without you Mama, I don't wish this pain on my worst enemy. If I could just hear your voice one more time, if I could tell you how much I love you, if I could just call you, if I could just visit you and we could make more memories, I would be so happy. Everybody loved you Mama and how I wish our new church family could have met you, they would have loved you too. Me and Buddy talked yesterday, he lifted my spirits and made me laugh. We all miss you so much mama, we don't know what to do with ourselves. I know we must hold on to Jesus with all our might until Jesus calls us home. I will never be the same person I was because with death, it puts you into a different mindset. I smile at people Mama, but deep down inside I am crying. Mama I feel the same way, tears are falling as I type this. I miss you so much Mama, the pain in my heart hurts so bad. Christmas was good, sad and happy, but it was difficult without you. Buddy wrote and sang a beautiful song about a beautiful Mama called Annie G. Wilkes. Mama you would have been so proud of Buddy, he did good, everyone in tears. All the kids miss you especially Connor, he wants you back, but we know that can't happen, so we are trying to do the best we can. I know Heaven is beautiful, beautiful just like you. Mama I'm lost without you, it's hard to cope with this life anymore, but I know I can't give up, I must keep on going. Soon and very soon we will be reunited. I love you so much mama and I miss you even more. It's your turn Mama to have the time of your life with JESUS and all of Heaven. RIP...The best MAMA of ALL.

Mama, we managed to get through Thanksgiving, but it was hard. When we gave thanks before eating, there was a silence as we waited as we always did for you to say the final Amen! We recognized you with photos of you and your love of CHRISTmas lights. We gathered together this evening like you wanted and had dinner. I miss you so much and I have wanted too call you but I can't, SO I just talk too you. I know you are happy and I'm happy for you being with family and especially God, but my heart still sad. Mama, today makes a week that Marlene, Carolyn, Sara, Dennis and myself carried the casket that held your earthly body too its final resting place. It was the last thing we could do for you. We knew you loved us and you knew how much we loved you. Monday night was always our night with you, so Carolyn, Sara, Marlene and myself spent that time talking with each other. I have known pain in my lifetime, but nothing like this. I picked up my phone too call you last night, then I realized that heaven had no phones. We promised you that we would continue loving one another and we will. I know God will carry me through this, but momma, it's SO hard. I truly thank God for the last three years that we had you all to ourselves. God answered our prayers. If there's guitars there, I know you are singing and playing. Rest now momma, you've carried your cross and you overcame. Look..... for we will be there soon. RIP my beautiful, compassionate and loving Mother ❤️💔

I knew the day was coming when one of us would have to say goodbye to the other, I didn't think it would be this soon. Mama, I feel like I'm not put together today. The feeling of feeling incomplete, is the emptiness within my heart, a heart that's completely broken. I have lost my very best friend....my BFF💔 I know that I must, and I know I will come through this in a way you would be proud of. Mama, you are healed, no longer are you in pain. Thank you for every prayer you prayed for me when I didn't know were. Go rest high Mama and wait for us. I miss you and that beautiful smile. I love you, my simple, humble and beautiful Mama💔
