“ We just found out about Ms. Annie Sue and are so sorry to hear of your loss, but we know that all of Heaven is rejoicing. Ms. Annie Sue was such a delightful woman and we loved spending time with her while we were at Mt. Elon. Talking with Jennifer and Daniel not long ago, we found out about the battle she was going through. She was a true fighter and gave it her all, as was the spirit she had in everything she did.  
Take comfort in knowing she is home with our Heavenly Father and is walking the streets of Gold. You all will remain in our thoughts and prayers. If there is anything we can do, please let us know.  
Love, Jason, Paige, Tanner & Emily###imported-begin###Jason & Paige Webster###imported-end###

“ I just wanted to let you know that you are in our thoughts and prayers! We all loved and will miss Ms. Annie Sue but she is in a better place now! I would have loved to have been there to see the look on my grandmother and grandfathers face when she walked in those gates. That had to be a great reunion to be apart of. It is so hard to lose someone that you love and that pain never will go away it will just get a little better with time! If there is anything that we can do please let us know! WE LOVE YOU ALL!!! “ Aunt Annie Sue, You were loved dearly and will be missed greatly, but you are now in a much better place. Look down on us and save a place for us. As I think back today, I can't help but laugh when I remember the mission trip to West Virginia. You ran us around with the broom! You were such a great person to be around. You were there for my wedding, baby showers, and even came to see the new baby! Your mints were delicious and are irreplaceable. You will be missed! Miriam, Trisha, Billy, & Jessie, our prayers are with you and your families. Know that we love you all and are here for you if you need us! Love and Prayers to you all!###imported-begin##Bubba, Jodi, & Ashlyn Cutchin###imported-end##

“ As I sit here and remember back, we had some great times even as we worked hard at Mr. B's. I will always treasure these times we had with "Sue". She was a true and loyal friend, always willing to go the extra mile to help someone. Her friendship had no limits or restrictions and her memory will always be deeply embedded in my heart.

Sitting here now thinking of her children and their families, my heart goes out to each of you. You now have a void that I know seems never to go away, and it won't, but God will help to fill that spot as time goes on with all your memories of her and the times you all shared. I feel your pain because my loss still seems to run so deep, but with each passing day I remember little things my mother said and did that brings not just a tear but a great big smile. Stay strong in the Lord, lean on Him and stay close to each other. Family is important and it is such a blessing to have such a large family as yours to comfort each other in rough times.

We will continue to pray for each of you and ask that you remember us in you prayers too. We can help and each and remember we can do all things through Christ that strengthens us.

Love and Prayers,

Reba and Family###imported-begin##Reba Goff###imported-end##
