“ Sue and Bill: I am sorry that I was unable to attend the visitation and service but I was remembering you in my prayers through the weekend. I am glad that I knew you and your mother. She was one of several parents who interacted often with our class (which I entered in the 3rd grade) throughout the years. She was a kind, sweet, and remarkable person. May God give you comfort and strength through his presence during this time of mourning.##imported-begin##Jimmy Ballard##imported-end##
