“ Dear Haynes Family, On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. In the book of John chapter 14, reminds us that in My Father’s house there are many rooms; if that were not so, He would have told us and that He went there to prepare a place for you and me? Tony was a fine fellow, not only was he childhood friend, but a high school graduate classmate. Family, this earth is not our home and we are only passing through this land, so hold on to the promise. My prayer is that God will hold you close as you press on.

“ I'm sorry to hear of Tony. He was a great man and I considered him a good friend. I have not seen you all in years. I remember our childhood days and the good times we all shared. We were all just boys and doing what all boys do. A lot of good memories cross my mind when I think of all the good times we had. I will be praying for the family during this most difficult time in your lives. May God comfort all of you in the days ahead.
