“ Dear Pat and Family,
I was very sorry to hear that your father had passed. My thoughts and prayers are with you during this most difficult time. I really enjoyed caring for him and getting to know him during his stay at Lexington Medical Center. I was also very sorry to hear that your mother had passed. I know that your dad only wanted to be well enough that he could care for her. Again my thoughts and prayers are with you and your family during this most difficult time.

Sincerely,
