“ Mrs. Privette, I am so sorry to hear about your mother. When I saw you pushing her into the Dr's office last week, I remember that you had a look of concern and love for your mother. You have always been an inspiration to me and to others that you have taught and guided through Thornwell. I am sure your mother was very proud of you and grateful for all the love and attention you had given her over the many years. Remember that she is now in God's loving arms and is at peace. Now may God give you the peace and rest that you need in the next few weeks and months.##imported-begin##Debbie W Smothers, former Mrs. Privette student##imported-end##

“ We will miss Aunt Artie very much. We have fond memories of our days with her in surfside. I know that her and Marcia are rejoined in heaven and will spend eternity having tea and watching all of their grandchildren grow. Caroline and I are in Nebraska and will be unable to attend the funeral, but we send our love and our prayers home to her family. Thank you all very much for the time that you shared her with my family. We will always love our miss Artie.

*Sincerely*
