“ Tommy and Kenneth: Last year I spoke with your Mom on the phone about getting address info for the HHS class of '59 reunion. When I told her my name, she immediately remembered me. I told her I used to play with Tommy in the back yard years ago when we were kids. She said, "Yes, and I remember that you and your parents lived right behind our house." Her mind was very clear and voice very sweet. I enjoyed talking with her and had memories of many warm talks with her and your Dad when I visited in your house. She always made all of your friends feel welcome in a house full of Christian love and motherly devotion. She lived a long life, full of doing for others. God bless all of you.##imported-begin##Jimmy Ballard##imported-end##
