“ *Bridget, I was so deeply saddened when I read about the loss of your little Angel...sometimes there are not enough words that share the feelings being felt. The loss of a child is beyond understanding and transcends beyond comprehension ...I pray that you find peace knowing that she will now be your forever Angel always to be with you through this thing we call life to be a little guiding light for journies ahead. May God be with you and your family in the days to come. With sincere sympathy and much love during this time ...Ms. Melissa Norton*

“ Dear Bridget and Jacob , My heart is broken for you. All of you fought so hard, and little Ava fought her best fight. This time it was not to be, yet that does little to take away the sadness of losing one so tiny and beautiful. God knows your pain; He knows the pain Ava might have suffered her whole life. His will was done. Now He will give you mercy and his grace to help you in this sad time. She will always be your firstborn and a part of your lives. God bless you.
