“ Miss King was like a second Mama to me. I spent as much time on the south end of Glen Acres as I did the north end....and Barbara’s sweet nature and her sweet tea was, in large part, the reason for that. It’s been almost 30 years since I lived in Hartsville, but though my feet don’t roam and my “siren” doesn’t wail there anymore, my heart still lives in “Glen-dale Acres”. My “perfect” childhood was due to a handful of other families in those Acres....the Kings being one of those foster families. We trudged through a lot of adventures together in those early years....UFO sightings, Haunted Woods attractions, and multiple treehouse jobsites, just to name a few....and Miss King was always there to support us. Those years always bring a smile to my face when times are quiet. Miss King was a gentle soul and always inviting to a little fat kid looking for Cheese and another glass of that sweet lemon iced tea from that “3 gallon” pitcher she made it in. I loved her smile and that sweet, sweet face and I admired the love and devotion she displayed for her family and her “boys”.
God bless your sweet soul Miss King.....I love ya, Byrnie Chapman
