“ Great memories of my Aunt "Bobbie" as I was growing up. And when I say "growing" that's what I always loved about her. She made everything bloom and grow. Just driving by her house would make you smile. She was a "giver" too. She would give you flowers, vegetables, watermelons, cake, etc... A truly beautiful lady with a big heart. I don't live in Hartsville now, but I still remember how I wished to have the beautiful flowers and yard like hers one day. -
