“ We both have so many fond memories of Barbara. These memories date back to our first moving to Hartsville in 1975 and then residing "almost" next door to her since 2001. We recall how loving she was when walking with the neighborhood dog "Rosie" or dancing so eloquently at Prestwood functions or just sitting by the lake visiting. We missed her when she moved to assisted living and we miss her now.##imported-begin##Fran and Grady Weaver##imported-end##
