God Bless you Barry. God only takes the best ! RIP my friend,

Tamara Hopper - January 02, 2016 at 08:17 AM

I am so saddened to hear of Barry's passing. Like this video shows the seasons of life, I feel like Barry was part of my seasons. We sat together on the bus, me in the first and Barry in the 12th. I'll never forget that hearty voice and laughter of his. As the years passed by, we would always mention the school bus whenever we would run into each other. He was also a friend of my Daddy's, Richard Byrd. They would ride horses together, many years ago. Fond memories of Barry Woods. RIP Barry.

A beautiful tribute to Barry ~ I know how hard this is for you and your family, Amber, to lose such a big part of your life, a person like Barry, your husband, and father to your child, that is so loved... suddenly and unexpectedly ~ My heart goes out to you and hope you know all your DHS friends are thinking of you this day as always ~ The last message you sent me was about Barry, and your love for him and that is a treasure you can hold on to. I loved seeing you and Barry in your wedding photos, how wonderful and happy you both were together that day ~ Thank you for sharing them. Call or message when you feel up to it, and I am always here, as you have been for me ~ Penny Riley
