“ Just wanted to express my love to all of you during your loss, especially Waylon. Your daddy was a wonderful friend. We use to ride bicycles together when we were kids and we talked a lot about life in general. He helped me with a lot of art projects when I attended USC and I always made an A. Just a week ago I sat with him under the tree and we talked about you and your new little puppy. I want you to know that he loved you very much and he was proud of you. May God bless each of you and keep you strong. In christian love...##imported-begin##Jennie Lynn Sherrill & Little Conrad##imported-end##

“ Sandra, Billy Wayne, Ma Catherine, Ronnie & Debbie....I am so sorry to hear about Barty...I know that you will miss him, but the first thing that I thought of was the party and celebration that took place in heaven when Pansy and Clyde were there to welcome him home. I know that Pansy was dancing! I have many fond memories of Barty....sitting out under the tree talking and laughing about all the fun that he had growing up with Tosha and Pansy....he loved them both dearly. He was always so kind and gentle and always offered a smile to everyone that he came in contact with. I will be praying for God to comfort you in your time of need. “ To all of Barty's family;
I am so saddened to hear about Barty's passing. He sure was a respectful, kind young man. Where ever I saw him, he always talked about Jesus. I know He was always on Barty's mind. I can only pray for all of you now, and I will. We must all get ready to meet Jesus. We just don't know when we will be called out of this world into our eternal destiny. May God's loving kindness shine forth upon each of us, especially his children and kin. In Jesus Name, Jo Lynn###imported-begin##Jo Lynn Newsome###imported-end##
