“ Some things seem so surreal and this is one. There is not enough space to write what we would like to about Benny. He was a very Godly man and loved everyone with his big heart, but especially his Lord and family. Mike loves Benny like a brother...always has, always will. His heart is hurting for the loss of his dearest friend. Born one day apart and living a "stones throw" from each other, made for lifetime friends! We have heard so many stories of Mike and Benny as they were growing up. Mike said they never had arguments or "boy fights" but, were the best of friends. I know when Mike gets to Heaven, he and Benny will pick right up with, "HEY BROTHER, HOW ARE YA DOING"? Martha, our families have had some good times and made memories together. We will never forget them. I do have to say that Benny was extra special to me! In 1965, he introduced his "brother" and I to each other. I always have and I always will love him for that!!! Martha, Wendell and Jenny, y'all have always been very special to us and you always will be. We love y'all more than you will ever know! Sending our love and prayers to all of you...Mike and Janice Deut.31:6

“*Mrs. Martha, Jenny, Wendell, grandchildren and sisters, Mr. Benny is one of the sweetest men I have ever known. I have so many childhood memories of our families. I can remember him always kissing me on my cheek when I was little. He and my daddy have been friends their entire lives....literally as they were born 1 day apart. (He's one day older than my daddy) He loved his family and friends but most importantly, he loved our Savior, Jesus Christ. He is rejoicing in Heaven with Jesus and all his loved ones gone before him. I know this will give comfort but I also know you will miss him so much here on earth and that is ok because Jesus wept, too. I will pray for you now and in the coming days.*
