“ *Becca, my bestest friend and my adopted sisters, Debbie, Millicent and Suzanne. I can't say I know how you feel because that is different for everyone. I can tell you, as you know, I have been there and you are in my thoughts and prayers. Remember Ben has gone to a better place and we will see him again in the future. I have so many wonderful memories of him over the (Geez) 42 years that I can't even begin to express them here but I will always remember him as a man that treated me like one of the family especially after my daddy died. Please extend my love to all of the family and may God be with you in this difficult time. You are all strong women because of your parents, the pain never goes away but when you lose someone it gets a little easier as time goes by. I love all of you.*

Take care of each other during this time.

Love always,

Ceil
