“ *I am very sorry to hear this. Benny and I were in heart rehab together a few years ago and I always thought it a privilege to talk with him and hear his stories and I could always tell that he put all his heart into what he did and said. As I am in prayer for all those he has left behind, at the same time I am rejoicing with Benny as he has reached that wonderful place we call heaven. What a wonderful thought!! I pray that God will wrap His loving arms around each of you and give you the peace and comfort that only He can give in such a sorrowful time. My thoughts and prayers are with you all. Love in Christ, Jill Kelley*
