Burnadine I miss you so much I always think about going to your house and to sit in your swing to talk to you. I knew that you would not hold back and tell me straight what you thought. I needed that. Betty you and I would sit out and swing just talking when I would walk away I knew you and aunt was talking about me. burnadine you Betty would be smiling when I turned around. I that okay I know that you two was talking long as you were smiling. I can say this that you really put up a fight with that cancer you were so tough. That day that you took your last breath with me at your side that just tore my heart all to peaces. I thank God for putting you in my life you were my rock. I thank about you all the time and I loved you so much. The memories I cherish so much I keep them in my heart. I will tell you this I will join you again one day walking the street of gold. I still can't drive down your drive way for as I go is to tammy`s. I love you I should have told you many times before you left. I miss out in God`s country it will always be that. I guess I will say see you again one day. Kathy

“ Dear Mr. Curtis, Mark, Tammy and extended family. On behalf of Embrace Hospice and the Howard Family, I would like to express a heartfelt sorrow for your loss. Mrs. Bernadine was a very sweet and precious lady to me. I will always cherish the good ole days at Lee Street Softball Field. In the Bible, John chapter 14, reminds us that in my Father's house are many mansions; if that were not so, He would have told us and He has gone there to prepare a place for us, that where He is we shall be as well. This earth is not our home, and we are only passing through this land, so hold on to the promise, for one day we will see our loved ones again, oh what a Glorious Day!

My prayer is that God will continue to hold you close as you press on.

In His Grasp,
