“ Todd and Charlotte and Family....  
I was so sorry to hear about the passing of your mother. I was out of town and unable to make the visitation and funeral. Please know that you all are in my thoughts and Prayers. I know the pain you are going through, just take one day at a time. Cherish all the memories you had with your mother. May God give each of you the comfort, strength and peace you need in the days and months to come. We love you all dearly....

“ Charlotte and Todd,  
My heart aches for both of you. One thing is for certain, neither one  
of you should ever have any regrets. Both of you took great care of  
Mrs. Adams. Only time can heal the hurt. May God bless you.  
With deepest sympathy,
