“ Pamela June, I was so sorry to hear of Betty June's passing. She was truly a special women. Annette and I have wonderful memories of the Crowleys and the Dixons. Annette has a picture of Betty June when she was a majorette at HHS. We were a lot younger but we looked up to Betty June. We often talk about your grandparents and how close our community was to each other. We all were proud of each others accomplishments and our hearts broke when there was saddest among us.

We all loved each other and cared for each other.

Bill and Betty came to Mama's birthday parties after she came to live with me and Dickie and we really enjoyed them both. They were both a ray of sunshine.

I want you, Craig and your families to know the love we have for you all and that Betty June is smiling down and having the best reunion she could possible have ever imagined right now. Our prayers and love are for you all and remember God gave us memories especially for these times to help soften our loss.
